

## Standardized Testing Dates and Test Prep Resources

---

September 20, 2019

Dear Junior families,

As College Counseling works with your student, we will encourage all students who intend to apply to a four-year university to take an ACT or SAT test. Your students first official standardized test should be taken after this time, most commonly during second semester.

Below are the standardized test dates, deadlines and resources. Your student will be taking the PSAT on October 16<sup>th</sup>. On November 23<sup>rd</sup>, Ms. Arguello will be hosting a practice ACT for juniors. After this time, college counseling will be working with your student to identify the best standardized test for your student to take come second semester.

College counseling will be conducting their own test prep for the SAT, facilitated by Ms. Arguello, for several weeks spanning January through March. Details on this test prep class will be provided to families end of November.

We look forward to working with you and your student this year,

Ms. Arguello and Ms. Parsons  
College Counseling Team
