

# Standardized Testing Dates and Test Prep Resources

---

Dear Junior families,

As College Counseling works with your student, we will encourage all students who intend to apply to a four-year university to take an ACT or SAT test. There are currently over 1,760+, 4-year colleges and universities that have adopted a test-optional policy in which your student may, but is not required to, submit a standardized test score as part of their application to college.

If your student chooses to take a test for a college recommending it, then your student's first official standardized test should be taken in December or early in the second semester. Arete Prep will be offering all Juniors a free ACT test in the Spring. This ACT will collectively be reported to the state to secure state funding for our school for next year. This ACT will be given in lieu of AZ Merit tests in particular subject areas.

Below are standardized test dates, deadlines, and resources.

College counseling will be working with your student to identify the best standardized test for your student to take come second semester. It is important that students and families research testing requirements for all of the colleges or universities they plan to apply to so that you are knowledgeable on required scores and admissions averages.

**All Juniors will take the PSAT on October 13<sup>th</sup>.** Test prep resources for these exams can be found below and were also sent home with students during the last week of September.

## **PSAT on Wednesday, October 13<sup>th</sup>:**

Your Junior will be taking the PSAT on Wednesday, October 13<sup>th</sup> on campus at Arete Prep. All Junior students will report to the gym as soon as they arrive on campus. Students will only need to bring #2 pencils, approved calculator, and drink/snack to the gym. All other items may be left in a locker. Cell phones must be turned off and students are not allowed to wear smart watches during testing.

## **SAT School Day- No longer offered due to state testing requirements**

We will not be offering SAT School Day as our state now requires us to provide the ACT to all students as part of state testing initiatives. If your student is interested in taking an SAT, they may register for one on a Saturday at their closest district school. Testing dates and information on how to register is located on the next few pages.

We look forward to working with you and your student this year,

Ms. Arguello and Ms. Parsons  
College Counseling Team

When registering for test prep with [Varsity Tutors](#), Arete Prep College Counseling suggests SAT test prep hours for any student wishing to prepare for the administration of the PSAT for 10<sup>th</sup>, & 11<sup>th</sup> grade students. This will also prepare juniors for their first SAT in December, if they choose. Juniors may choose to sign up for an SAT on their own if they prefer that be their test for college application submission (if needed). All Juniors (Class of 2023) will be taking the ACT test in April as part of state testing. Preparation for this test is encouraged as a student may use their ACT score from their April test to submit to colleges as part of an application.

All tutor scheduling and payments will be through [Varsity Tutors](#). Please contact them directly for additional information, questions and concerns.
