Summer School Policies and Procedures

Homework: Homework may be assigned from each class meeting. In order to cover the essential concepts of the year long course, instructors will clearly communicate student expectations in this area.

Dress Code: Students must wear their Great Hearts school uniforms to Summer School. All other policies regarding personal appearance are governed by Arete Dress Code. [Please click the link and review the policy.](#)

NOTE: Students from other Great Hearts academies (including those coming from Archway) are welcome to wear their current uniforms but will otherwise be held accountable to Arete Prep's dress code standards.

Pickup & Drop-off: Students should be dropped off at the East side of the academic building. Students may be dropped off as early as 15 minutes before their class begins. Students should be picked up no later than 15 minutes following the end of their course.

The doors to the academic building will close when classes start. Late arrivals should be dropped off at the Arete front office. If a family needs a student to leave class early, a parent/guardian should notify Ms. Parsons at least 24 hours ahead of time. Students will not be released from class without parental notification.

Behavior: Students are expected to behave in a manner consistent with the behavioral expectations of Arete as outlined in [Arete Prep Family Handbook](#). Please click the link and review the policy. Any student removed from a class activity for disciplinary reasons will jeopardize their continued enrollment in the program as well as their registration/class fees.

Payment and Refunds: Contact Ms. Sirianni with questions about scholarships and payments. There is a "Pay Later" option at online checkout: please note that all payments must be completed no later than one week before the scheduled start of the first class, or students will not be allowed to attend. Courses may be refunded for any reason up to one week before the scheduled start of the first class. Refunds requested after the start of a course are not guaranteed and may be pro-rated. Please complete the FAIR application [by clicking here](#) if you need financial assistance to purchase any summer school courses.

Snacks/Lunch/Water: These items are not provided by the school during the summer; please be sure to send these with your child if they need them during the day.

Students with Allergies and/or Medications: Please be sure to accurately and thoroughly fill out all allergy information using the form in the front office. Please note that you must provide the front office with any medication (clearly labeled with name and instructions) prior to your child attending the first day of their summer school class.

Students with In-School Accommodations: Please contact Ms. Parsons if your child has an educational plan that will require any special accommodations during the Summer School session.
